

UPS[®] Economy Peak Surcharges

UPS Economy DDP (Delivery Duty Paid)

Due to recent market developments amid the ongoing coronavirus outbreak, a dynamic peak surcharge applies to UPS Economy DDP shipments from the export site in the Netherlands to the destinations listed below, from the specified effective dates until further notice.

The peak surcharge applies from the moment of the parcel scan at the UPS Economy export site. It will be applied as a rate per kilo, based on the billable weight of the shipment.

The peak surcharges listed below will be added to your current net rate for applicable UPS Economy shipments and included in the transportation rate for purposes of calculating the fuel surcharge. It will appear as a separate line item on your UPS invoice.

Peak surcharges apply in addition to all other applicable charges. No waiver, discount, or reduction of any type to the peak surcharges shall apply. Peak surcharges are subject to change without notice. Customers are strongly advised to check the latest surcharge information in the PDF document called “UPS Economy - Peak Surcharges” posted on the UPS Economy page prior to tendering UPS Economy shipments.

UPS Economy DDU (Delivery Duty Unpaid)

Due to recent market developments amid the ongoing coronavirus outbreak, a dynamic peak surcharge will apply to UPS Economy DDU shipments from the export site in the Netherlands to the destinations listed below, from the specified effective dates until further notice.

The UPS Economy DDU service will be limited to the destinations listed below from 10 May 2020 until further notice. Any UPS Economy DDU parcels received by UPS to any destinations not listed below will be consolidated and returned to sender using UPS Standard service, charged to the shipper's UPS account number. Shippers will be responsible for all charges associated with return shipments.

The peak surcharge applies from the moment of the parcel scan at the UPS Economy export site. It will be applied as a rate per kilo, based on the actual weight of the shipment.

The peak surcharges will be added to your current net rate for applicable UPS Economy shipments. These surcharges will be included as a separate line item on your UPS invoice. Peak surcharges apply in addition to all other applicable charges. No waiver, discount, or reduction of any type to the peak surcharges shall apply.

Customers are strongly advised to check the latest surcharge information in the PDF document called "UPS Economy - Peak Surcharges" posted on the UPS Economy page prior to tendering UPS Economy shipments.

Countries marked with * have a maximum actual shipping weight limited to 2kg. Packages with higher weight shipped to these destinations will be returned to sender using UPS Standard service, charged to the shipper's UPS account number.
