

The World is yours- Get on Board and ship with UPS!

Get a **10%** discount on your shipping rates for export **standard/expedited** shipments and a **15%** discount on your shipping rates for export all **express** shipments from Portugal with the promo code **UPSEXPORT!**

You can benefit from this promotion starting **immediately**, when booking your shipment on [UPS.com](https://www.ups.com). Simply access tab [shipping](#), create the label and apply the promotion code **UPSEXPORT** in step 5 of your shipment.

These discounted shipping rates applies to residents and companies based in the Portugal that book their shipment online with UPS. You can check the total cost of your shipment (without discount) by clicking on the **QUOTE** button on the home page of [UPS.com](https://www.ups.com) or by consulting the [Cost and Time calculator](#). The discount will apply in step 5 of your shipment, when you will see the total price to be paid.

Please note that discount is not applicable on additional charges which might apply to your shipment. Please refer to the [Additional charges](#) page on [UPS.com](https://www.ups.com) for the latest updates.

This discount cannot be combined with other promotions or discounts. This discount applies to prepaid shipments. This offer is valid until withdrawn. UPS reserves the right to withdraw the promo code at any time without notice.

UPS Terms and Conditions of Carriage apply and can be viewed [here](#) for Portugal.
