

Terms and Conditions

Upon Customer's valid redemption by entering the promotion code identified below when the Customer creates the shipping record, UPS will automatically credit the Customer with the applicable incentive listed below (the "Incentive") applied to the Retail Rate for eligible U.S. origin only shipments processed with either (i) a credit card or (ii) a PayPal account. This promotion is not valid for billing to a UPS account number. A promotion code Incentive cannot be combined with other incentives, including incentives under an existing Incentive Agreement. The Services will be provided by UPS pursuant to the UPS Rate and Service Guide and the Tariff/Terms and Conditions of Service in effect at the time of shipping, which are incorporated herein by this reference. The UPS Rate and Service Guide and the Tariff/Terms and Conditions of Service are available at www.ups.com and are subject to change by UPS without prior notice.
